

All in: Life in community

Week four: Reach

Please use this space to take any notes that you wish and use it to help refresh your memory, spark thoughts or questions, and engage in discussion in small groups this week.

Review: Our working definition of community-The people of Jesus intentionally living life together.

The church (ekklesia) is the venue that God provides for us to experience life in community.

A healthy ekklesia leads to healthy community leads to a healthy ekklesia.

A healthy ekklesia reaches

It's AND, AND, AND, not or...

How do we reach all nations?

What does it mean to commission someone as a missionary?

What do we expect?

What do we commit?
