Week five: Reach

Please use this space to take any notes that you wish and use it to help refresh your memory, spark thoughts or questions, and engage in discussion in small groups this week.

Review: Our working definition of community-The people of Jesus intentionally living life together.

The church (ekklesia) is the venue that God provides for us to experience life in community.

A healthy ekklesia leads to healthy community leads to a healthy ekklesia.

A healthy ekklesia reaches
