Review: Our working definition of community-The people of Jesus intentionally living life together.

The church (ekklesia) is the venue that God provides for us to experience life in community.

A healthy ekklesia leads to healthy community leads to a healthy ekklesia.

A healthy ekklesia grows together

Vision: To be a faith community that introduces and enhances relationships with God and one another...

Put others first (Mark 10:43-44, Philippians 2:3-5, John 13:14)

Be honest (Ephesians 4:25, Colossians 3:9)

Let's eat! (Luke 19:1-10, Matthew 9:9-10, Acts 2:42-47)

But I don't think I like you right now... (Acts 15:36-41)

4 unchanging keys: Love (1 Peter 4:8)

Grace (2 Timothy 4:11)

Seek and give forgiveness (Ephesians 4:32)

Keep the door open (Romans 12:18)
